Remember your loved one on our memory tree

In our Hospice garden we have a special individually crafted metal tree where families and friends can choose to hang a silver or gold coloured leaf in memory of a loved one.

You can have your leaf engraved with their name and a personal message. The memory tree is displayed upon an external wall within our garden.

Having a personalised leaf on the tree is another way that you can receive comfort and support as you remember a loved one in these peaceful surroundings.

Our care

All our services are free of charge to all patients, their family and carers.

Our charity

It costs £7.5 million each year to be able to deliver our services.

The NHS does give us some money, but we still need to raise at least £4.5 million each year from our community. 90% of funds received go towards patient care.

What difference will your donation make?

- £50 could pay for two aromatherapy, reflexology or massage sessions, helping to relieve a patient's pain and sickness, or to reduce anxiety in patients and their family members
- £100 could pay for one of our Community Nurse Specialists to visit a patient in their own home, providing free care and support to patients and their loved ones
- £150 could pay for a patient to attend our day therapy service for a day
- £200 could pay for 8 hours of care for one of our inpatients
